CATERING BEYOND OUR DOORS

At Papa Joe's, great food and hospitality have always been a family tradition. As a family-owned restaurant, we take pride in bringing the same quality, care, and personalized service you've come to love in our restaurant, to your special event. From intimate gatherings to larger celebrations, our team's attention to detail ensures that your event runs smoothly so you can focus on your guests.

Whether you're looking for full-service catering with our professional staff on-site or the convenience of drop-off catering, we tailor our services to meet your needs. Our team can efficiently deliver and set up your private event, allowing you to enjoy a beautifully prepared spread without the need for on-site servers. We also offer full service, if you wish to indulge.

Bring the Papa Joe's experience to your celebration with entrées that guests will remember, prepared by our exceptional chef, Peter Holan, and catered by our professional on-site staff with reliable, on-time execution. Our family is excited to serve yours!
